EC Type-Examination Certificate

No. CE 571185

Product Details

Product type:	Half Mask.
Product name:	3M™ Half Mask 6000 Series.
Models:	3M™ 6100 (small size standard industrial product) 3M™ 6200 (medium size standard industrial product) and 3M™ 06962 (medium size Automotive Aftercare Division version) 3M™ 6300 (large size standard industrial product) and 3M™ 06963 (large size Automotive Aftercare Division version).
Technical Specification:	Harmonized European Standard EN 140:1998.
EN 140 classification:	Half masks for use with twin filters.

Product assessments:

The product assessments were based on BS EN 140:1999, the English language version of EN 140:1998, respiratory protective devices – half masks and quarter masks.

Product details:

The masks are designed for use as follows:

with a 3M specified pair of the same type of 3M Particulate Filters and, where applicable, their associated 3M Filter Platforms and 3M Filter Retainers and/or 3M Gas and Vapour Filters,

as a component of a 3M Supplied Air Respirator System (airline compressed air system)

and

as a component of a 3M Dual Mode Supplied Air/Filtered Air Respiratory System (airline supplied compressed air/mask mounted filter system).

The Filters and the Supplied Air and Dual Mode Supplied Air/Filtered Air Respiratory Systems are the subject of separate CE Certificates.
