Honeywell

Overview

Reference Number

RU711

Product Type

Gloves

Range

General purpose

Line

Precision work

Brand

Honeywell

Brand formerly known as

SPERIAN

Industry

• Industry • Administration • Laboratory • Textile Industries • Utilities

Product Use

Finishing operations in mechanical, clock-making, jewellery, photography. Handlings requiring a clean glove without any plush.

Features & Benefits

Feature

93 % cotton and 7 % elasthane glove
Industrial cut, edged border
Ambidextrous

Benefit

COMFORT

Cotton interlock ensures the glove's mechanical performance while absorbing hand perspiration for added comfort. The glove is Ambidex trous and thus more cost effective. The tight knit makes gives the glove perfect support, limits the penetration of dirt and offers a good touch.

SAFETY

Ribbed at the wrist to ensure a good level of wrist comfort, thus eliminating risks of getting it caught.

HYGIENE

Its white colour enhances the glove's hygiene and cleanliness properties.
