Description

The new uvex profi ergo XG safety glove with innovative xtra grip technology. It combines protection and grip with exceptional comfort and flexibility. The glove boasts outstanding durability thanks to the multilayer construction.

Characteristics

- anatomical shape
- outstanding wearer comfort
- exceptional dry and wet grip
- highly flexible
- multilayer design for high resistance time
- high water vapour absorption due to the cotton lining

Applications

- all-round glove
- maintenance/servicing
- light to medium metal processing
