It's a stunning watch from start to finish. The amount of work that went into this film alone deserves your attendance, and even then, the story never stalls, and has a fair balance between war and humanity, and has some of the most incredible camera work I've seen in a while. It's hands down my favorite film of 2019. Taistelulähetit 1917 dvd. Taistelulähetit - 1918.

TaistelulÄhetit - 117. Taistelulähetit - 1978. 1917 is one of better war films of recent years even if it doesnt have a lot of fighting and war accepts until the end,i would compare this film to

dunkirk they both have similiar way to tell story and both films focused more on characters arcs and their journey through hard years and expereicing them,this film has one of best musical scores of year and it dominates scenes and builds them with tension and even despair,also this film is really visually great to look at but that was expected since deakins was cinematographer and his way of filming was very good made and it was used well,my only gripe was the same like in dunkirk that we didnt learned a lot about characters and they felt unexplored,1917 is defienetly one of better films of 2019.

I guess the reason is, i hate war, with passion. It's waste of life, waste of time, waste of everything. But that's exactly what this movie shows. How brutal it is. Wonderfully directed, well acted, with amazing original score.
