THE BLOGGER BREAKTHROUGH SUMMIT

Dear _____,

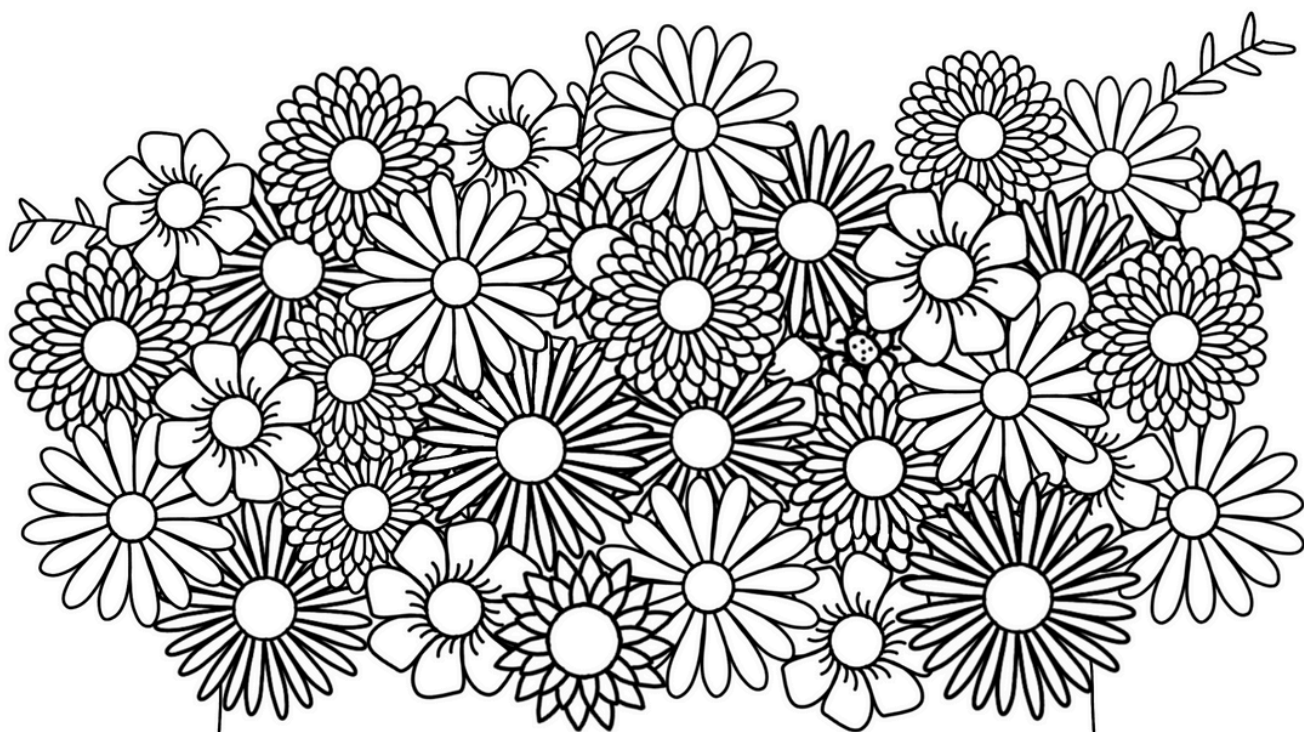

I want to say thank you so much for your support this week. I know that you don't always understand what it is that I'm trying to accomplish with this whole online business thing, but this summit is really important to me.

The summit is designed to help me save time when it comes to my blog and help me see bigger results, so with your help and support as I put more time into my blog this week, I will soon be spending less time each week working.

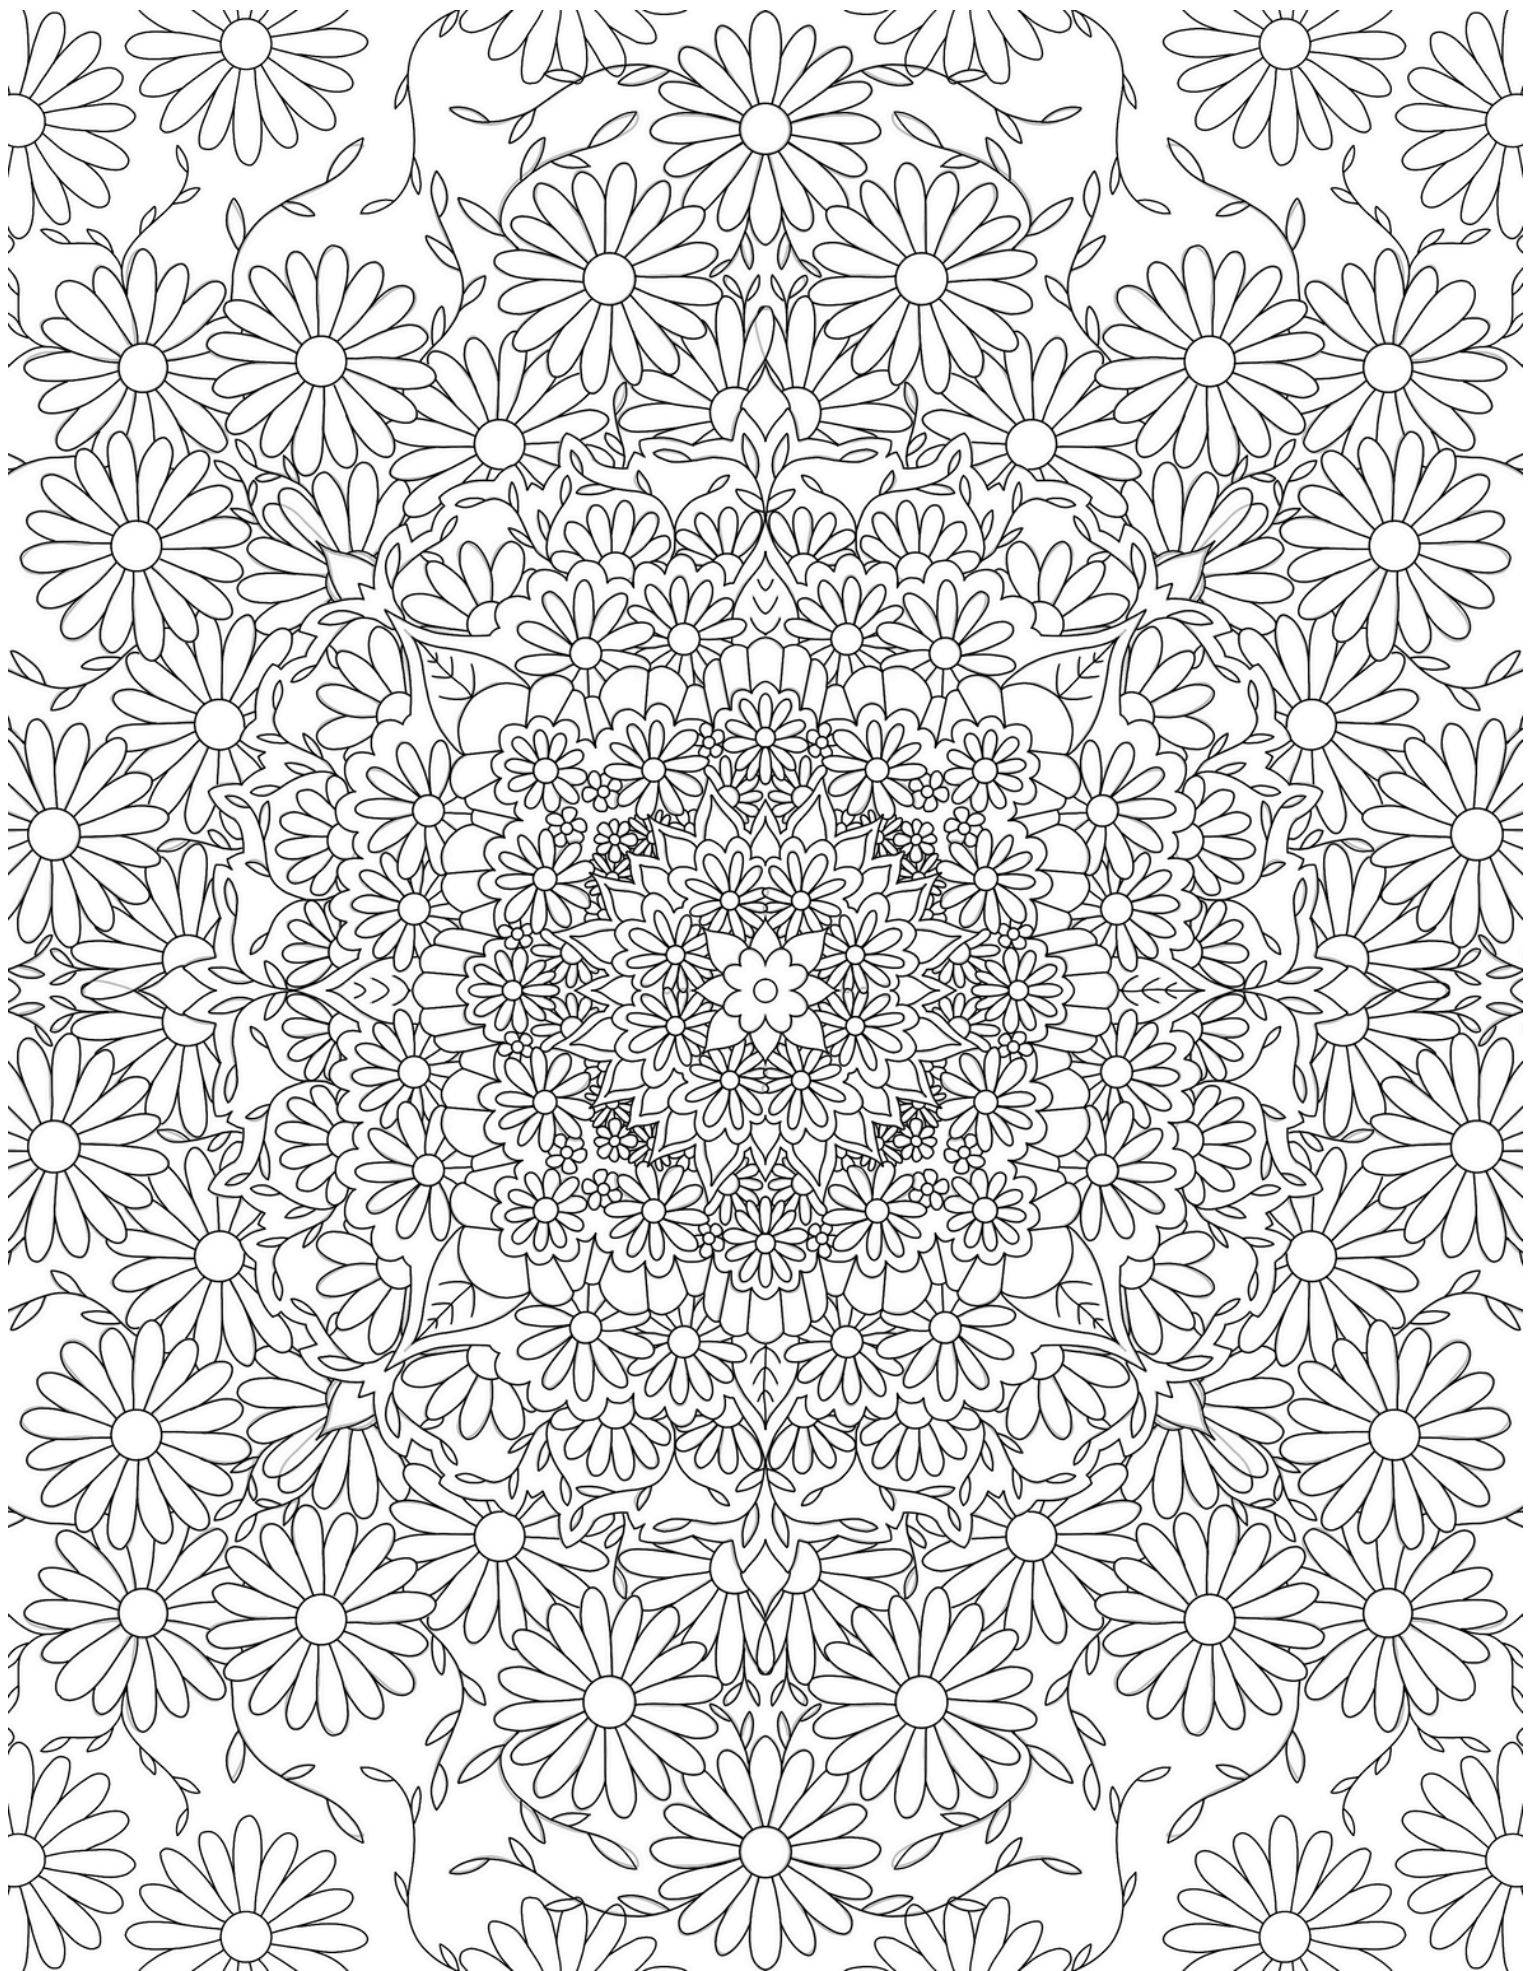

Knowing that my time will be limited and not wanting you to miss out on the fun, the Summit host, created this booklet for you of some fun solo activities, crosswords, suduko, wordsearches, adult coloring pages, they are all included in here and I hope you enjoy them.

Again, thank you so much for your support, I couldn't do what I do without your help.

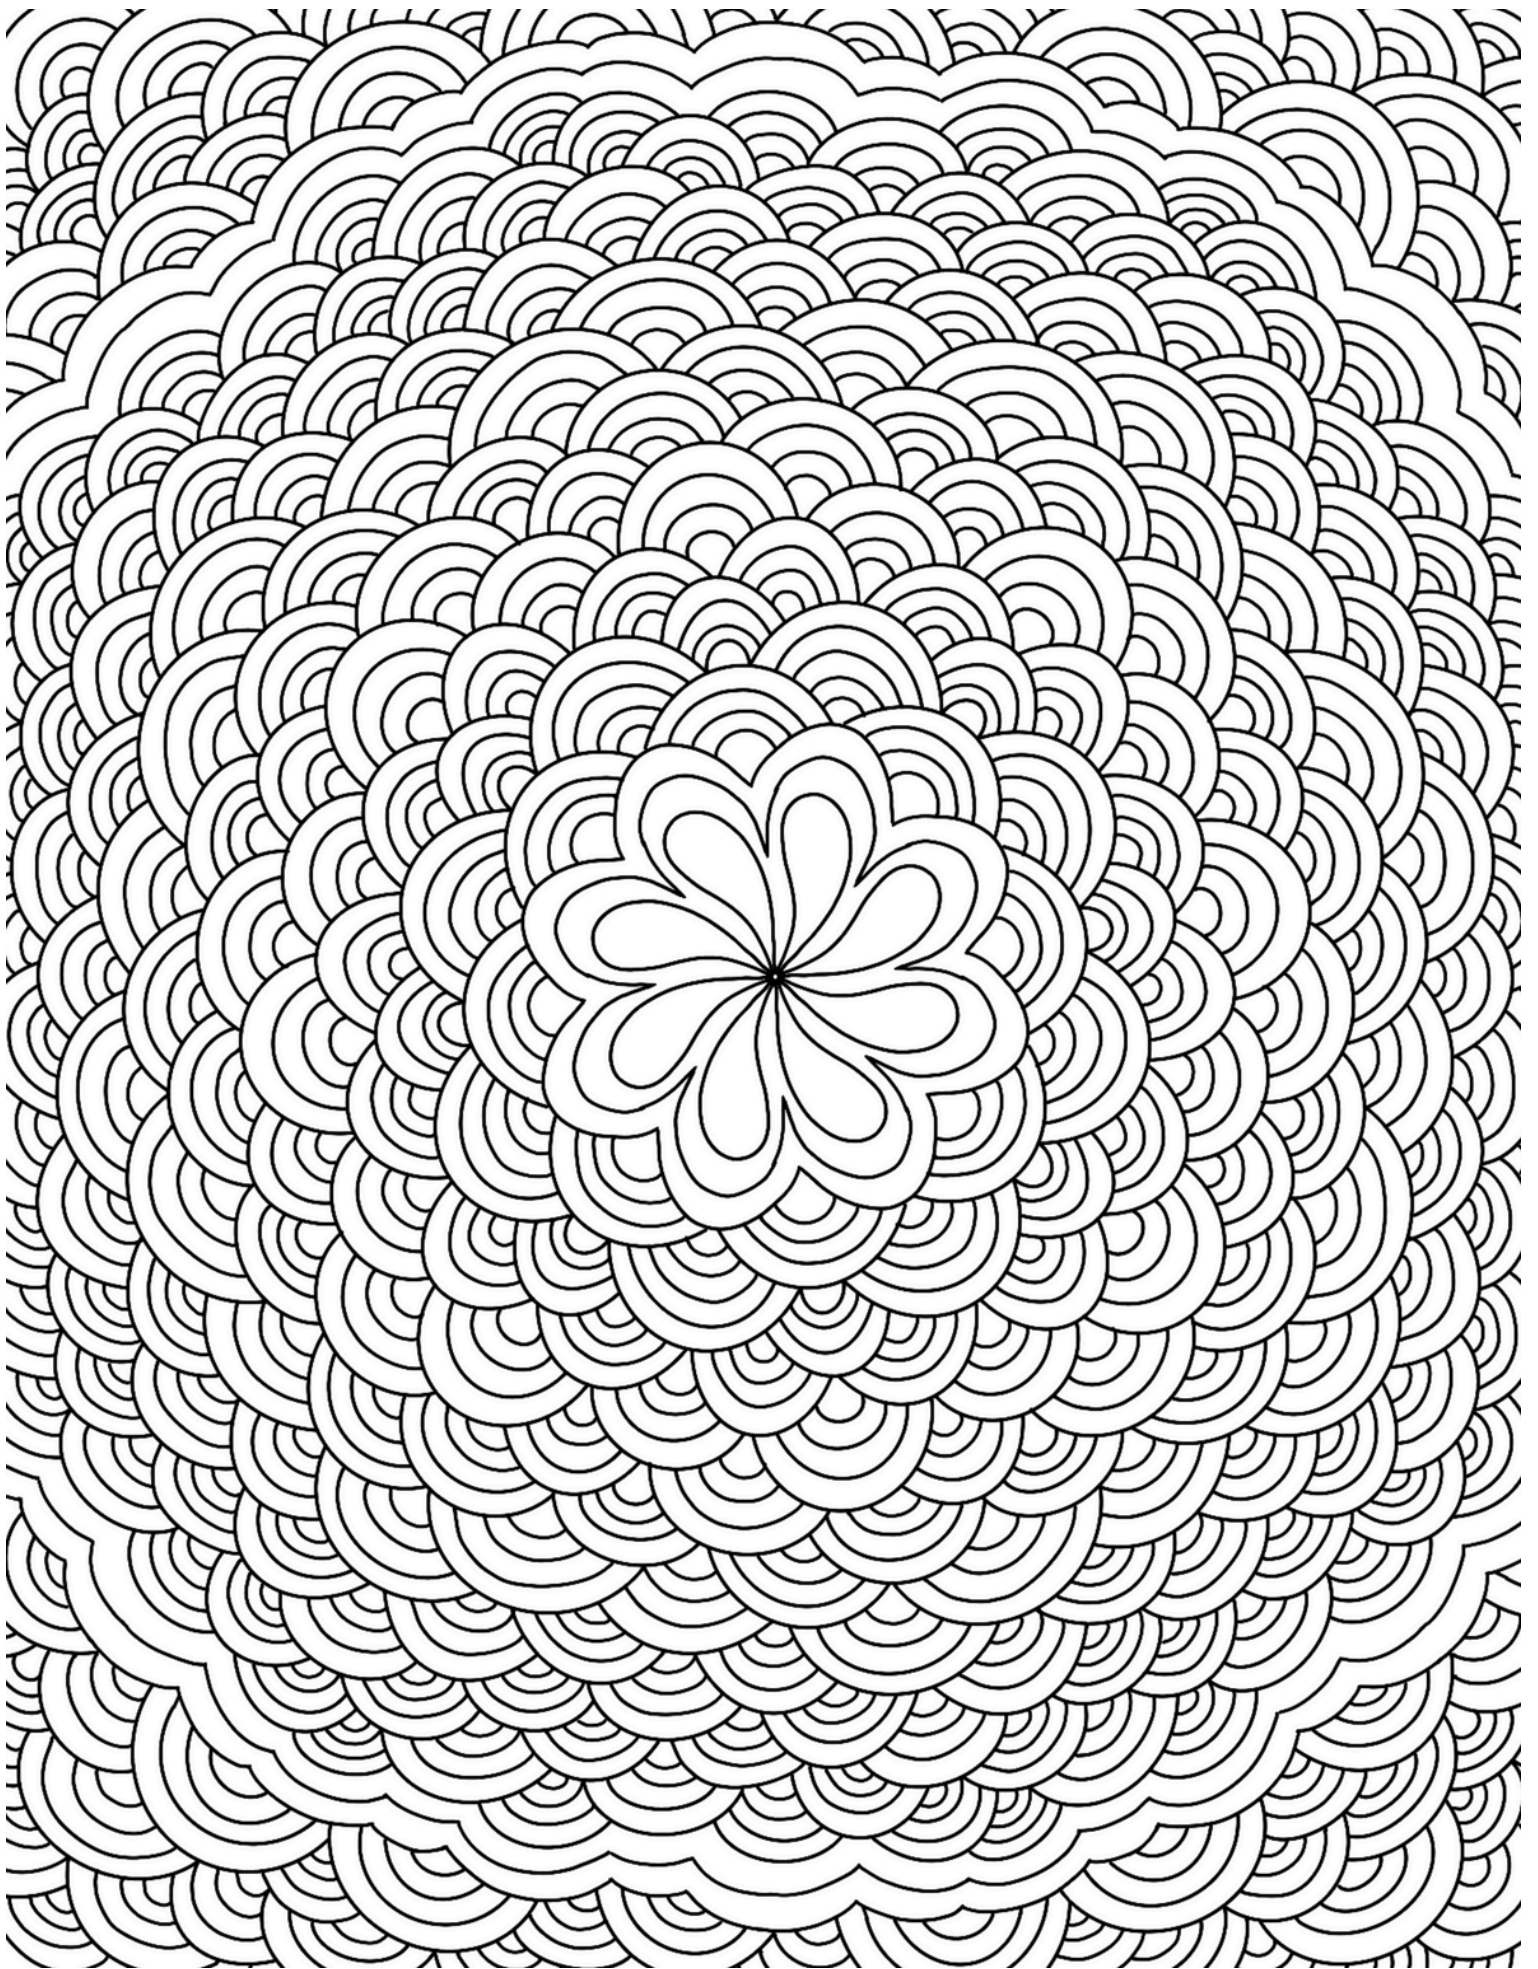

Love,
