## Annex to certificate 03111110

Type 2 protector VP-00 worn in combination with the Bib and Brace trousers & Body trousers  
VP-00-BB is tested according to EN 14404 :2004 + A1:2010 and complies with level 1

1

Type 2 protector VP-00 are not tested for water proofness.

Type 2 protectors exist of foam plastic or other padding material and are worn in a trouser pocket  
foreseen for this purpose or they are permanently attached to a pair of trousers.

Level 1 knee protectors are expected to be suitable for use on flat floor surfaces where objects  
more than 1 cm high are not a common hazard.

Level 2 knee protectors are expected to be suitable for use in severe conditions such as when  
kneeling on broken rocks in mining and quarry work.
