

In application of the directive 89/686/EEG of 21 December 1989 concerning the harmonisation of the Member States legislation relative to personal protective equipment, Centexbel Notified body 0493 authorised by decree AV/OA235/ST dated 94-05-25 of the Ministry of Employment and Labour has issued

## CE TYPE EXAMINATION CERTIFICATE

**Nr. 031/2014/1787**

**This CE Type examination certificate is valid until 22 Dec 2019**

to: **Van Puijenbroek Textiel, Goirle**

for: **The jackets VP-06-JS2 combined with Bib and brace trousers VP-06-BB2**

The personal protective equipment above mentioned satisfies the applicable essential safety requirements of the Directive.

For the argumentation, the following standards are used:

|                       |                                                                                                                                                                                    |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| EN ISO 11612:2008     | Protective clothing - clothing to protect against heat and flame                                                                                                                   |
| EN 1149-5:2008        | Protective clothing - Electrostatic properties - Part 5: Material performance and design requirements                                                                              |
| IEC 61482-2:2009      | Live working - Protective clothing against the thermal hazards of an electric arc - Part 2: Requirements                                                                           |
| EN ISO 11611:2007     | Protective clothing for use in welding and allied processes                                                                                                                        |

| EN ISO13688:2013      | Protective clothing - General requirements                                                                                                                                         |

This is PPE of category III, subject to regular checks in accordance with article 11 of the European PPE directive. In agreement with the manufacturer's choice random checks shall be carried out to assess the quality of the final product (art.11A). The manufacturer must be able, on request, to present the test report of this quality control check. A first quality control check shall be performed at the latest on 31 Dec 2015 and at least be repeated with intervals of one year.

This declaration applies to the equipment as submitted in the type testing and described in the manufacturer's technical file that is registered with number 5724\_1.

Issued by Centexbel, Notified Body 0493<sup>(\*)</sup>, in Ghent, on 22 Dec 2014
