EC Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

- a) MICROGARD® 1500 PLUS, White Lab Coat (short - thigh length) with a collar, two patch pockets and a front three stud closure, which is manufactured from SMS fabric with sewn & bound seams and is available in six nominal sizes, product code: WH15-B-◇◇-204-**, where ◇◇ is the packaging code and ** is the relevant size code.
- b) MICROGARD® 1500 PLUS, White Lab Coat (long - calf length) with a collar, two patch pockets and a front three stud closure, which is manufactured from SMS fabric with sewn & bound seams and is available in six nominal sizes, product code: WH15-B-◇◇-206-**.
- c) MICROGARD® 1500 PLUS, White Lab Coat (short - thigh length) with a collar, elasticated cuffs, two patch pockets and a front three stud closure, which is manufactured from SMS fabric with sewn & bound seams and is available in six nominal sizes, product code: WH15-B-◇◇-208-**.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard: EN 13034:2005 + A1:2009 (Type PB [6] Limited life, partial body limited chemical protective clothing against liquids). In addition the fabric met the requirements of EN 1149-1:1995 for electrostatic dissipative protective clothing on both surfaces.

The manufacturer's information notice (MICROGARD® 1500 PLUS Partial Body Protection Only, version 14/4/11), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file: SB15P, issue 10
