Microgard Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 7.

PPE Product

a) MICROGARD® 1500, hooded coverall with zip flap and elasticated hood, ankles, waist & wrists, style code: 138; which is available with the following four fabric colour options: White (option code: WH), Navy blue (NV), Red (RD) and Orange (OR);
b) MICROGARD® 1500, hooded coverall with a seamless back panel and elasticated at hood, ankles, waist & wrists, style code: 149; which is available with the following two fabric colour options: White (WH) and Navy blue (NV);
c) MICROGARD® 1500, hooded coverall with elasticated hood, ankles, waist & wrists with finger loops, style code: 175; which is only available in the white fabric (WH);
d) MICROGARD® 1500, hooded coverall with Hi-Vis tape around the arms, torso, legs & over shoulders and elasticated hood, ankles, waist & wrists, style code: 113; which is available with the following two fabric colour options: Red (RD) and Orange (OR).

All of the above products are constructed from SMS Polypropylene fabric with sewn seams and are available in eight nominal sizes. The product code for these garments is: #15-S-*-##-**, where # is the fabric colour option, * is the packaging type, ## is the garment style code & ** is the garment size code number (common to all product ranges).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standards:
EN ISO 13982-1:2004 + A1:2010 (Type 5: Limited life, full body chemical protective clothing protection against airborne solid particulates);
EN 13034:2005 + A1:2009 (Type 6: Limited life, full body chemical protective clothing offering limited protective performance against liquid chemicals).

The manufacturer's information notice (MICROGARD® 1500, version 11.04.13), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file: M1500, issue 11
