Don't believe all the 8-10 stars reviews, they are wanker friends of cast and crew.

There is no way any person on earth enjoyed this movie; let alone thought it was a 10 star film.

It is truly unbelievable how this movie managed to get released.

It is with all honesty really really bad.

Terrible Awful Crap

One of the worst films I have ever seen.

If you like this drama movie, enjoy. All drama is caused by 51% of the world's population whose goal is replication of humans, not creativity, want to disintegrate dreams of the 49. Need to be herded in correctional facilities to figure out how to deal with these actual walking viruses. Need to get torn up by animal kingdom. Movies with humans have the hero and girl trying to get with each other. They even include animals assuming human characteristics of

that man-woman nonsense. Be careful of what gets brainwashed into your subconscious from this. Watch out for hole guys. The romance angle (romance(tm) is too much a term for this) is handled charmingly/cutesy but all of this is like aw man here we go with this stuff. I

know this movie is showing guidance to males how to deal with females. All imagination shown in this movie, creativity is the male ability, while females are replication of humans (aka babies) so both goals are contrasts with each other and know if you stick it in their hole your creativity goes swoosh disintegrates, you fall inline with patriarchy which is uncompromising. Replication is them celebrating the debauchery of humankind while creativity is trying to get

closer to God (creating imaginative things.) Any contact with female is the road to babies guys. Even the cutesy way movie dalliances are portrayed. I cant provide all the know-how on the matter, what I can state here that someone else hasn't figured throughout the thousands of yrs of human knowledge. They want to grind up men but it is I who grind them into fine dust. Wear pink to take their power away? I get it's hormones, just j/o in toilet or napkin.
