Become A Flight Angel

**Be Our
Hero**

Are you flying from Dominica to the US?

Become a Flight Angel

You can save a life - by simply escorting a rescued puppy to their forever home.

We handle everything for you :

All you do is take the puppy (in its carrier) with you on the plane.

We handle all logistics - paperwork, transport, carrier, and supplies - at zero cost for you.

We arrange pick-up at your destination airport with our partners in the US.

We'll meet you at Dominica Airport with your pup at your check-in.

At no cost to you whatsoever.

Real Angels. Real Stories.

Freda
Med Student in Dominica

“It was a very easy process. You meet them at the airport - everything is paid for. The rescue picks up the puppy when you land!”

Kristen Key Szpak

“We got connected with St. Nicholas Animal Rescue. It was a no brainer to help. We want to make sure that all critters get to their forever home. We're so happy to be part of this program.”
