Time travel ruines the logic of every movie. That of a movie universe of 10 years even more so. But why didn't they let Captain Marvel do all the work. She can everything and is powerful and can speak and breathe in space and destroys spaceships with ease and is all around invincible and badass and female. What a joke. br> The last battle was confusing all around but it has its moments. I am in shock to be honest. What a pile of rubbish.

In 3 hours (not like 3, movie isn't boring. like 2 hours) i've cried and laughed a lot. this movie is the best superhero movie ever. and i think they won't do the better than this once... Full Avengers: Endgame (2019) Movie download. Full avengers: endgame (2019) movie download mac.
