Tripti acts decently and so does Palomi.

It looked so promising in the beginning. Very sad it got butchered after the first 15 minutes. Not even a one time watch.

## Bulbul full movie 123movies download

Do not waste your the acting is good, concept of the movie is totally trash. Bulbul full movie 123movies free online. Thought provoking supposed to b a scarefest with little fulfilment yet to some extent arouses the fear inside us u r wishing to watch... i prefer this for a tea time movie which might not spoil ur its doesnt linger with it horror sequence its horror has failed to impress as only a few scenes cleared that...

Eventhough the story revolves around early 19th century they have clearly said us what they were trying to say. and having only a few characters... everyone have played well to their no doubt they have nailed it... Initially when the movie starts there was a little when it moved us along the v can even guess wats gonna it was main pillar of the story was amazing background score during night visual tat might really make us frightened. at last a horror moviewith some initiative yet has been satisfied as it didnt wastes our time.

Tripti omg totally nailed it so much rawness about this girl. Naturally beautiful. Initially I didn't like so much of red light but later on got adopted to the cinematography. Parambrata always steals the show with amazing support. Bulbul full movie 123movies. Bulbul full movie 123movies 2017. Bulbul full movie 123movies free watch online.
