## Senior Portraits - Information from School Yearbook Advisor:

- Our official school photographer is Studio One.
- The photographer will also be contacting families directly and Jen McCort will send info to families in the fall, however we are sharing now to provide different avenues for parents to receive the information, so we are sharing the attached the flyer for you to help share as well.
- They will begin booking appointments June 1. The deadline for the yearbook is December 1st. December seems far off, but it is better to take care of portraits earlier rather than later - appointments fill up and many schools in the area use the same photographer.
- There is no obligation to purchase portrait packages, but Studio One is the official school photographer. **If a student wants their portrait to appear in the senior section of the yearbook, they need to take their portrait with Studio One.**

### Note:

As confirmed with Studio One Photography – start scheduling in summer, and before Thanksgiving break. Don't forget that Fall Sports begin early, and appointments get filled quickly! You will receive an individualized link from them that is not shareable with others.
