#Clueless*Full. CLUELESS Onli*ne'2020. Ful"I* H&D "S`tr~eam* Watch Clueless Online Allmyvideos. HD 1080p (Clueless) Watch full movie cast. Watch`clueless`Online`Gorillavid. I liked it. Not only did I like it, but it is one of the most watched movies in my collection and one of my all time favourite "feel good" flicks.

When the movie first came out, I was dragged kicking and screaming by a friend into the theatre to see it. I figured that it was just another teeny-bopper movie aimed at teenage girls or overly hormonal boys (of which, I was neither. However, in spite of myself, I couldn't help but be taken in by the film's infectious charisma.

I thought the entire cast was simply charming - especially Ms. Silverstone. Dan Hedaya was classic, as always. And the one liners. well they still get me chuckling after re-watching dozens of times.

Granted, we're not mining any new territory here, or inspiring any earth shattering revelations, the subject matter is pretty mindless. But the film never tries to be anything more than it is... a parody of teenage life through rose coloured "Beverly Hills" glasses. As far as teen flicks go, it's near the top of the list.

A refreshing addition to the genre.
