Remarks/Directions

Public Rmks: This beautiful custom bungalow is in an established enclave with mature trees, so close to everything but still relaxed and quiet. Meticulously maintained by its owners, the stucco home is in pristine condition. New stylish black windows let in loads of light and allows the 2,000+ square foot main floor to bathe in the southern exposure of the large backyard. You can't get more neat and tidy than this -- everything is freshly painted, all light fixtures and wall sconces are updated, the wood floors have been professionally finished and electric blinds make the enormous main floor windows a delight. Bathrooms have been renovated to feel fresh and stylish. A cute covered front porch with a stone portico leads into the entranceway and the great room beyond. Soaring ceilings make it seem even more inviting and spacious. Inviting guests here will certainly be a pleasure, with a dining area where a table could easily expand and contract as the occasion calls for. Welcome family and friends knowing there are three bedrooms on the main floor and three more on the expansive lower level. Cooking for one or a crowd will certainly be a pleasure in this airy space with a practical slate floor and upgraded appliances. The list of this home's advantages is long but includes an irrigation system, oversized garage with electric car chargers, huge closets in all rooms, generator, humidifier, as well as shared ownership of six-acres of protected wooded area with community trails to enjoy the Silver Creek. This is what pride of ownership looks like.

Property Details

Room Measurements

Only major rooms are listed. Some listed rooms may be excluded from total interior floor area (e.g. garage). Room dimensions are largest length and width; parts of room may be smaller. Room area is not always equal to product of length and width.

Main Building

MAIN FLOOR

4pc Bath: 7'8" x 8'1" | 54 sq ft
5pc Ensuite: 10'3" x 11'7" | 109 sq ft
Bedroom: 13'4" x 11'10" | 139 sq ft
Dining: 14'10" x 15'11" | 199 sq ft
Foyer: 9'8" x 5'5" | 53 sq ft
Garage: 21'8" x 23'3" | 502 sq ft
Kitchen: 17'9" x 15'1" | 240 sq ft
Laundry: 13'3" x 6'11" | 77 sq ft
Living: 16' x 15'11" | 255 sq ft
Office / Bedroom: 13'3" x 11'5" | 135 sq ft
Primary: 19'4" x 18'11" | 284 sq ft
Wic: 5'1" x 9'10" | 49 sq ft

LOWER LEVEL

4pc Bath: 14'8" x 5'11" | 77 sq ft
Bedroom: 14'8" x 11'10" | 161 sq ft
Bedroom: 14'5" x 14'8" | 155 sq ft
Cold Room: 6'1" x 11'7" | 68 sq ft
Rec Room: 29'9" x 27' | 710 sq ft
Soundproof Recording Studio/bedroom: 16'11" x 18'3" | 270 sq ft
Utility: 14'8" x 11'9" | 172 sq ft

Floor Area Information

Floor areas include footprint area of interior walls. All displayed floor areas are rounded to two decimal places. Total area is computed before rounding and may not equal to sum of displayed floor areas.

20 Trails End, Collingwood, ON

iGUIDE Method of Measurement

Definitions

Interior Area is a per floor calculation, made by measuring to the inside surface of the exterior walls. The footprint of all interior walls and staircases is typically included.

Excluded Area is a sum of the area of all rooms (measured to the inside surface of room walls) that are excluded from the Interior Area for a floor and the footprint of corresponding walls. Prescribed area exclusions can vary from region to region. Examples of exclusions are spaces open to below, garages, cold cellars, crawl and reduced height spaces.

Exterior Wall Footprint is the sum of the estimated area of the perimeter wall segments bounding both Interior and Excluded Areas.

Exterior Area is a per floor calculation, made by measuring to the outside surface of the exterior walls and is represented by the sum of the Interior Area and the Exterior Wall Footprint.

Grade is the ground level at the perimeter of the exterior finished surface of a house. A floor is considered to be above grade if its floor level is everywhere above grade.

Total Interior Area is the sum of all Interior Areas.

Total Excluded Area is the sum of all Excluded Areas.

Total Exterior Area is the sum of all Exterior Areas.

Finished Area is a per floor calculation made by adding all enclosed areas in a house that are suitable for year-round use based upon their location, embodying walls, floors, and ceilings and which are similar to the rest of the house. Footprint of walls is attributed to finished area only when the walls are bounding finished areas.

Unfinished Area is a per floor calculation made by adding all enclosed areas that do not meet the criteria for Finished Area. Exceptions are outdoor and non-walkable areas, for example porches or areas open to below. Footprint of walls is attributed to unfinished area only when the walls are exclusively bounding unfinished areas.

Notes

For exterior walls that are adjacent to the outside of the property, where typically only the interior side has measurement data, an estimation of the exterior wall thickness (as directly measured at the property) is used to calculate its footprint. Considerations are not made for varying wall thickness along the perimeter.

Disclaimer

All dimensions and floor areas must be considered approximate and are subject to independent verification.

PDF Floor Plans

You must provide 3 copies of a complete and detailed site plan. See "Procedures for Obtaining a Sewage System Permit".

WARNING: Any deviation from the approved plans and specifications after this permit is issued is a violation of the Building Code Act. Consult with your Inspector before making any changes.

I agree to comply with the provisions of the Municipal Building and Zoning By-Laws and of By-Laws of the Simcoe County Board of Health. I further agree that neither the granting of a Permit nor approval of the plans and specifications nor inspections made by Simcoe County Health Unit Inspectors during work on the sewage system shall relieve me from responsibility for carrying the work out in accordance with the Building Code Act and the Regulations made thereunder.

I hereby certify that I have knowledge of the particulars contained in the statements made in this application and I solemnly declare that they are in every respect, fully and truly stated
