This movie is exactly what I have been looking for, a thriller with almost no problems.

Thriller movies are often bad movies, movies like "cube" or "don't breathe" are very thrilling but have a lot of issues in their acting, direction, and writing, and there are so many movies like them that it has become a bittersweet fact: thrillers are bad on other levels.

But this movie, other than being the best thriller of 2019 was one of the best movies of the year, the main idea is iconic, the script is very good and upbeat and even with having only two people in most of its scenes whilst using very few colors in them (because of its location, a prison) it glues you to your chair from the first moment.

A thought provoking movie ultimately about human morality, society and greed. It's very well done. I had to watch the dubbed over English version but that took little away from the acting which was high quality. The movie is shot well. EL HOYO.

NO RECOMENDADA!

MUY SÁDICA. Y MEDIO BLASFEMA.  
NADA DE CENSURA. 18+  
EVÍTELA SI ES SENSIBLE. UNA MANERA UN POCO DESPIADADA DE MANSAR UN  
MENSAJE.  
YA ENTRAMOS EN LA ÉPOCA DE ULTRA VIOLENCIA EN EL CINE.
