Chua Chu Kang Town Council is the 1st Town Council that implements MN Ultron; there were less than 10 dengue cases in red zone cluster estates, and less than 10 imported dengue cases in yellow zone cluster estates.

PERSONAL ACCIDENT INSURANCE

5 REASONS WHY YOU SHOULD CONSIDER GETTING THIS AFFORDABLE INSURANCE

Accidental Death & Dismemberment Benefit

Get covered with this benefit from S\$50,000 to S\$1 million. It offers 24-hour worldwide protection against the financial consequences of having an accident.

Double Payout for Accidental Death & Dismemberment Benefit

Get double payout in the event of an accident in public transport, and for life insured aged 16 and below - during school activities within or outside school premises.

Medical Expenses Benefit

Enjoy medical reimbursement for accidents, and Traditional Chinese Medicine or chiropractor fees, ambulance fees and mobility aids

Wide Range of Coverage

Get covered for up to 21 infectious diseases and events where you are a victim of an act of terrorism, full-time National Service and reservist training.

Extension of Benefits

Additionally, be covered and medically reimbursed for food poisoning, infectious diseases, animal and insect bites. This includes **Dengue Fever & Malaria**.
