Providing us with the correct passport speeds up the process significantly. Typically, new applicants may have to wait around 10-17 days if there are no problems. This allows us to arrange accommodation, meals, medical attention, life insurance, Schengen Visa processing, and airfare - all part of our responsibilities. We would like to remind applicants to regularly check their emails for any updates from us, as we may request further documentation such as medical certificates to demonstrate your ability to work in Europe smoothly and all jobs carry a Contract of 1 Year but renewable

## SALARY / PAYMENTS

In contrast to other nations that hire workers, we provide comprehensive support by deducting a nominal fee of 0.17% from your salary until we fully recoup the funds invested in your processing for employment in Europe.
