Free shipping and returns on Lancôme La Vie Est Belle L'Elixir Mother's Day 2025 Gift Set (Limited Edition) \$215 Value at Nordstrom.com.

What it is: A limited-edition three-piece gift set featuring Lancôme's energizing La Vie est Belle L'Elixir fragrance with velvety floral scent. Lancôme collaborated with contemporary artist Arne Quinze to re-interpret the Domaine de la Rose garden with his art: The Rose Journey. This exclusive art piece was created by Arne Quinze for Lancôme's 90th Anniversary.

Fragrance story: The scent of happiness is reinvented by two renowned French perfumers, Christophe Raynaud and Antoine Maisondieu resulting in a head-turning, uplifting scent trail that embraces the most noble ingredients to unfold a rich olfactory experience with modern sophistication. Top notes of sparkling raspberry, intertwined with bright Calabrian bergamot, open the fragrance. Middle notes of velvety violet are amplified by rose heart absolute, heightening the scent's intensity. A delicious cocoa butter base note is enveloped in leather accords and the depth of elegant Virginian cedar wood. Reimagined by renowned glass designer, Suzanne Dalton, the bottle embodies the fragrance's boldness through its sharp and sleek silhouette. Its bold form is contrasted by the curves of the signature La Vie est Belle crystal smile, engraved into the bottom of the bottle for the very first time.

Style: Floral.

Set includes:

- Full-size Refillable Eau de Parfum Spray (3.4 oz.)
- Full-size Refillable Eau de Parfum Purse Spray (0.34 oz.)
- Perfumed Body Lotion (1.56 oz.)

Notes:

- Top: raspberry, bergamot
- Middle: violet, rose heart absolu
- Base: cocoa butter, leather accord, Virginian cedar wood

How to use: Apply the body lotion right after your shower to amplify its moisturizing capabilities. Layer the fragrance with the body lotion for a longer-lasting, more complex scent.
