MAPLE LEAF DIAMONDS™

Founded almost 41 years ago, Independent Jewellers has flourished to become Canada's premier diamond and jewellery retailer. Under the watchful eye of owner-operator Gerry Gilroy, Independent Jewellers operates Canada's Largest Jewellery and Watch Centre from their very own building.

Maple Leaf Diamonds is proud of their long standing relationship with Independent Jewellers which culminated with the installation of a Maple Leaf Diamond Boutique (pictured below) within Independent Jewellers premises.

Maple Leaf Diamonds is an internationally recognized Canadian Diamond brand that is synonymous with diamonds that are fully traceable from mine to finger. The stunning jewellery designs that comprise the Maple Leaf Diamonds Collections are meticulously manufactured using Canadian Certified Gold.

Gerry and the entire Independent Jewellers team invite you to come to see the exciting new Maple Leaf Diamond styles, highlighted by the Shelly Purdy Seasons Collection. The collection is inspired by the nature infused in our ever-changing Canadian landscape. Awakening delicate buds of spring, sparkling summer lakes, earthy autumn forest trails, followed faithfully each year by the winter beauty of gently falling snow.
