Inglorious Basterds might be Quentin Tarantino's most complicated story line yet. World War II is the setting and it opens at at a French farmhouse where the owner is suspected of hiding Jews. He is interrogated by a Nazi Colonel Hans Landa; played by Christoph Waltz in an Oscar winning performance both chilling and hilarious at the same time. After denials, a hidden family is given up and one, Shosanna, escapes.

Brad Pitt is Lieutenant Aldo Raine, and his mission is to recruit eight Jewish-American soldiers to sneak behind enemy lines and kill as many Germans as possible. He requests 100 scalps as trophies from each man. Pitt is over the top in an almost comic book fashion, but this is Tarantino's baby.

In the meantime, Shosanna has become a French woman named Emmanuelle who owns a movie theater in Paris. She meets Zoller, a German hero who is the subject of a Lenin Riefenstal type of propaganda film and he introduces her to Joseph Goebbels and she offers her theater for the premiere of the movie, with the plan to assemble as many higher ups as possible in order to kill them in retaliation for the massacre of her family.

The last chapter is classic Tarantino, a complete fantasy with the Nazi's looking like Hogan's Heroes. Revenge is sweet and so is Inglorious Basterds.

Apart from that, Tarantino, not yet fifty, does his best to be a new Woody Allen: spinning his wheels while his fans constantly chase that elusive "return to form. Soon Return To Form will become a movie genre of its own, sort of sad and wistful.

What better word for I.G. than dreck. Overlong (aren't they all) with noxious characters, episodes both unbelievable and boring, right from the start. Tarantino tries without success to summon the spirit of Harold Pinter in his supposedly tense and unnerving conversation scenes, but it ain't happening (The Happening, now there's a film to bracket I.G. with in your cinematic hierarchy. Tarantino hasn't the command of language and his screen writing peak (Pulp Fiction) now a distant memory blighted by later excesses of trashy violence and an all

pervasive feeling of emptiness devoid of the gangster cool that once was his forte.

Repugnant and beneath the remains of Quentin's legendary A & B-movie influences. Time to wave ta-ta to Tarantino.
