Everything from plot line to soundtrack is stunning. The story gets you thinking and an amazing stand alone movie. I can't explain how impressed I am. Amazing... Watch (Interstellar) full movie telugu What I was looking for InterSTellar [Interstellar]movie villain.

The greatest movie science fiction in cinema is this great achievement that has been presented to us by the Nolan Creator. Did Not Provide Nolan any action does not deserve praise has always work deserves praise already creativity does not ultra in this work by the Nolan.

also must not forget the role of the hero Matthew McConaughey which is always in the work of the junior Professional levels, high-level Ari Ann Nolan theory and how he saw black hole need to research and high scientific degree do not see that fiction might have been the intention of the Nolan. also real film left us end the imagination did not define the end of one or perhaps all images interpretation to the end that I did not expect it to be those resents professionalism.
