Surprisingly moves
Nice Twist On The Presentation
The Recreation Of History
Very Good Writing
Classy And Contained
The Acting
DISLIKES

The age difference did not transition well
Did not use the Characters To The Fullest
Too Much Amy At Times
The Political Rants At Times
Sometimes a New Twist Gets Lost
Some Incomplete moments
Meryl Streep's Untapped Potential
Laurie's Character At Times

The Verdict:

With so many renditions of this movie, new features are always the way to expand the shelf life of this movie. This tale of the classic title accomplishes the goal of bringing the classic tale back to the big screen, and balances the classiness with the fire that comes this day and age. Great settings recreated the culture and to have the unique twists of flashbacks to help establish the writing and characters was fantastic for me. The acting brings it out even further and is probably the biggest selling point of the film for me. Yet, the main limitation for me is that the movie starts to lose its balance the farther the film goes in. I would have liked to have seen more of the characters balanced in, while also not getting too lost in the new presentation style and balancing the story amongst others. If it ran another hour, it might have been the perfect time, but hey, a three-hour movie is a lot to ask this day and age. My scores are:

Drama/Romance: 8.0 Movie Overall: 7.0.
