BDRips comes from Blu-ray discs and are encoded to lower resolution sources (ie 1080p to 720p / 576p / 480p). BRRip is a video that has been encoded at HD resolution (usually 1080p) which is then transcribed to SD resolution. Watch Love The BD / BRRip Movie in DVDRip resolution looks better, however, because the encoding is from a higher quality source.

Love 3day video. Love 3d 2005. Love 3d video background. Love 3d graphics. Love 3d soundtrack. Love 3d 2015. I haven't quite made up my mind about this film. I don't think I've enjoyed it, however I believe it's a great film to analyse.

You can definitely feel it's a Noé film, the cuts, the speed, the colors, the characters, the extra 15 min that weren't really necessary, etc... Love - in my opinion it's a good title because I felt the couple was in love, and that this film was about love and represents a real couple, like in Blue Valentine.

Sex scenes - I kind of understand it, you don't often see real couples making love in films, you just see actors compelled to look hot as hell so that everyone else that's watching feels bad about their bodies and a sexual desires. Despite all of this I think there are too many explicit scenes which add nothing to the story.

Murphy - I'm not a big fan of analogies, mainly the ones that are forced just because. That said, I didn't get the analogy in the beginning, in my point of view, it has no logic. The same goes for Electra. I felt Murphy was really in love, what I didn't get was, in the midst of almost 2h of love, why does he keep cheating. If you love someone, which he apparently does, you don't have room for some random girl, to whom you speak at a party for 5 min, that agrees with your ideas, exactly the ones your girlfriend doesn't. I didn't feel this so I don't understand his need for cheating.

Voice over - I see a lot of people complaining about this, well I liked the emotion and reality it expressed, mainly when his at home with the mother of his child.

There was a little annoying thing, I started feeling that this was sort of a biography of Noé, it had to many obvious details about him like it was an Ode to Noé... 't get.

Once again, I think it's a good film to analyse and think about if you have the time and interest.
