Going in I regretted buying a ticket because i'm not really into this kind of movie. Also had already forgotten the first. 20 minutes into the movie and I changed my mind and was grateful I chose to see this film. Great production, great acting, great plot. This film deserves all the success.

Full Movie Maleficent: Mistress of village. Started off well. And I really liked how they have highlighted the powers of Maleficent but I feel like her voice did not do proper judgement to her character. She was more fearful in the part 1 but she did a very good job in this movie as well. Full Movie Maleficent: Mistress of evil 6. Just went to watch it with the family and we loved It. Love Angelina Jolie as Maleficent. Felt different emotions watching this movie, i cried, felt happy, relief. But don't take my word for it just go see it, everyone has different opinions.

Full Movie Maleficent: Mistress of evil 4. It's like they knew they had a very weak script so they tried to compensate with the amazing visuals. I wish they stopped after the first movie.

And Aurora is way too whiny, has zero trust in her own godmother and can't shut up about a wedding. After a bunch of people died she still wants to do it. Have you ever heard of rescheduling Aurora.
