Maybe if you are in to mysticism, occultism. Just maybe. As a Swede i am struggling with a disappointingly non authentic setting, a story i dont know if to take seriously or disregard as uninteresting and, in parts, poor casting.

I doesnt hold. It wont stay.

Usually horror movies use fast disgust, because you just don't want audience vomiting all over the place. This one, is not a horror movie in any way, it is only disgusting. Extremely disgusting.

This is like "Oh, you didn't have a chance to gaze at these bloody intestines? Will give you that slow-mo in daring daylight!

There moments where I had to look away or fast forward to skip the ugliness. There is nothing more to the story itself, it is extremely poor. Great photography and lovely outdoors, though.

Watch midsommar online free dailymotion. When we watch films 'like' Midsommar I have a feeling I'll go completely south in the third act, like it goes a little too crazy and a bit far.

Yeah it did go like that but it wasn't just all madness and no method which for me made this film better than some films like this one.

Midsommar I totally was all in from the start, for its long running time it didn't feel as long as that, we must credit the film for setting a good pace.

2 scenes in this film had me quite shocked, when you see you'll know exactly what I'm going on about.

Midsommar was a good film, a little madness towards the back end which was slightly too much but a part from that I quite enjoyed it.
