

Salem-Area College & Career Fair Fall 2023

October 16th 2023 @ Chemeketa Community College 6-8 PM

Dear Vendor,

We are very excited to announce that the Salem-Keizer School District is hosting its annual in-person Salem-Area College & Career Fair! We are excited to have students from the Salem Keizer School District, along with many other school districts and private schools from the surrounding area.

The purpose of the Salem Area College & Career Fair is to provide information on post-secondary education and career opportunities for students. Representatives will provide information on universities, professional technical schools, community colleges, military branches, Scholarships and Professional Paths.

To help with contact tracing and limiting physical contact, we are also excited to announce that we are a StriveScan career & college fair. Vendors will be able to scan our students and obtain their contact information using the StriveScan app. Scanning is included with your registration for our fair. Handouts will be provided to students and signage at the door will encourage our students to complete a quick and easy registration right on their phones. They will be immediately texted and emailed a barcode that you can scan using the StriveScan app. At the conclusion of the fair, all of the students will be sent a report with a list of the vendors that scanned them, along with the vendors contact information.

Vendors will be able to instantly export all of their student scans via the StriveScan app or website. The data is available immediately and provided in CSV (Excel) format for easy importing to your campus' CRM or database.

You'll hear directly from StriveScan with instructions to prepare for the fair one week prior to the event.

This event will be held on Monday October 16th 2023 @ **Chemeketa Community College (4000 Lancaster Dr NE, Salem, OR 97305)** from 6:00 pm - 8:00 pm

The cost is \$150.00 for a vendor space at this event. (This includes the cost of StriveScan.)
