If you like this "drama" trash with some walking snatches enjoy I guess. All drama is caused by and All comedy is sucked away by 51% of the world's population whose goal is replication of humans, not creativity, want to disintegrate dreams of the 49% and are an enemy of all creative arts including animation. Need to be herded in correctional facilities to figure out how to deal with these actual walking viruses. Spy/secret agents need to reevaluate their focus and annihilate. Need to get torn up by animal kingdom. Movies with humans have the hero and girl trying to get with each other. They even include animals assuming human characteristics of that man-woman nonsense. Be careful of what gets brainwashed into your subconscious from this. Watch out for hole guys. The romance angle (romance(tm) is too much a term for this) is handled charmingly/cutesy but all of this is like aw man here we go with this stuff. I know this movie spiderman fff is showing guidance to males how to deal with females. All imagination shown in this movie, creativity is the male ability, while females are replication of humans (aka babies) so both goals are contrasts with each other and know if you stick it in their hole your creativity goes swoosh disintegrates, you fall inline with patriarchy which is uncompromising. Replication is them celebrating the debauchery of humankind while creativity is trying to get closer to God (creating imaginative things.) Any contact with female is the road to babies guys. Even the cutesy way movie dalliances are portrayed. I cant provide all the know-how on the matter, what I can state here that someone else hasn't figured throughout the thousands of yrs of human knowledge. They want to grind up men but it is I who grind them into fine dust. Wear pink to take their power away? I get it's hormones, just j/o in toilet or napkin. Miss juneteenth movie reviews

Miss juneteenth stream. I wanted tis to be good. It isn't. The acting is not good by any stretch. The characters are just not there. I felt no connection between anyone. The grandmother could have been a stranger for how much of connection there was between her and her family. The dad seems like a one night stand she chatted with. Again, no connection. I had to throw in towel at 45 min. Miss juneteenth rotten tomatoes.
