This is an excellent movie that keeps your brain thinking. The concept was a masterpiece
and very hard to copy or follow. A cult movie that will be watched again and again for years
to 's a true classic. There are so many coooool scenes in this movie especiallly the ones
with Samuel L. Jackson.

That guy is so funky and even the scene with "the man, Quentin was funny but I think he
should stay behind the scenes rather than in front of the camera (sorry, Quentin.

The scenes with Bruce Willis should have been edited out! He made the movie boring.
It's quite obvious who stole the limelight here, Samuel L.Jackson. That guy knows how to
play a bada* mother and make it look cool.

and fantastic. They look like real dialogues between people secretly filmed during their
interaction. Perfect recitations from everyone. All this makes the plot superfluous, which
in fact has a minimum value in this film. I do not add anything else, except that you can see
this film dozens of times, without getting tired. Watch online movie pulp fiction. Watch full
