I'm not going to say masterpiece. they are very rare.(midnight cowboy, kes etc) but bloody good, funny and very watchable fit well.

Tilda Swinton, a fantastic performance, every line was great. she reminded me of Johnny Depp(Willy wonker)see what you think.

Kang-ho Song was also very good. the film is a little offbeat which is a good thing, not to be taken to seriously, never noticed the cgi was to busy enjoying this movie.

if you have a good story, great actors like the above what else matters would recommend this movie for those bored with the usual stuff. looking for something like dredd 3d, sin city, Sucker Punch etc. then give this a try. BTW gave it a 8/10. thanks for reading.

Download movie c4 bdadov c3 a1 archa setup. Yet predictable at the end, which I have a tendency to do - It was a great film, the dialog was brilliant. The ending, which I had predicted, was not so much. Open ended. If you have an imagination, you will love the ending, pretty much. The concept and the follow through, was brilliantly done. The elite feeding upon the meek, quintessential the toilet paper that be ruling over those who have nothing. For me? I'd rather die than become some form of entertainment for a stuck up cultist. But that's just me as an individual. What irritates me, is that the individual is LOST and its all 'FOR THE GREATER GOOD.' an aged old saying that originated from the 16th century... I didn't agree with a few philosophical points, I predicted the ending, was disturbed at times, but all in all, this was a good film. Skip the spoilers and just watch, well worth it.

I just saw the movie and I enjoyed it a lot. It is not meant to be coherent all the time, I am surprised that people would spend time criticising for instance that you can't fire bullets from one side of the train to the other side. Godness gracious, it's a fiction movie, it's not a documentary! No, surrealist movies are not realist, period. That you'd spend so much time focussing on technical details and missing the whole point of the movie, that must be quite an awful experience to go to the movies. I love for instance that Joon-ho Bong sometimes gets rid of the translation machine: good on ya! we've got it, we understood that they don't speak the same language, now we can focus on something else. I loved the movie, except for a few bits (such as the children topic + the girl's special something. A really good movie.
