What I'm about to share with you is the same exact blueprint that I have used to leverage speaking as a tool to grow a Thriving Teen Coaching business.

This is a very unique system as it's solely designed for Teen Coaches. This is what every other Youth Speaker wishes they knew before they reach out to stages to speak.

However, please don't let the simplicity of this blueprint fool you. It takes work and intentionality so you effectively feed your Teen Coach pathway.

If you want to learn how to structure your signature talk, share your story more powerfully while leveraging speaking as a tool to grow your influence, impact and income as a Teen Coach, this blueprint will help you get there.

Now for all you overachievers, here are the 5 steps in a nutshell. All you need to do is follow this system step by step:

We are going to dive into these 5 steps at TCA' Speaker Course  
Here's the event breakdown.

### ***Part 1: The Art of Storytelling***

Outcome: By the end of part 1, you'll discover your authentic voice, develop your signature story and deliver your homerun talk in a captivating way to share on any platform you speak on i.e. stage, video, podcast, interview, sales call, etc.

### ***Part 2: The Business OF SPEAKING***

Outcome: By the end of *part 2*, you'll discover how to find and book the right stages by determining who the decision makers are and what they need from you to make sure your message gets heard by the right people.

You will walk away with:

- A speech breakdown to apply to any stage you're on.
- Systems and processes to reach out to various decision makers.
- Marketing game plan to get booked and paid to speak.

and.. so much more!

❖❖ You've probably got questions, Right?

❖❖ **Do you offer a guarantee?**

Yes. Our guarantee is that this program will include value that will position you as a paid speaker. Making this a non-brainer investment.

❖❖ **How long until I see results from this program?**

That totally depends on how quickly you and your teen take action. Some Teen Coaches achieve quick results, whilst others work their way through slower and results take longer.

❖❖ **Do you provide a recording?**

To get the most out of your Speaker Bootcamp experience, live attendance is required. However, you will also walk away with a workbook and recording to revisit in your own time. This will ensure you don't miss out on a thing and can come back to review your growth as a Speaker.

❖❖ **What's all this going to cost?**

This program won't cost you money, it will save you a lot of money, time and headaches trying to book speaking gigs on your own. It is one payment of \$3k USD of 2 monthly instalments of \$1550 USD.

❖❖ **What else do I receive upon completion?**

You will walk away with our Public Speaker playbook with all of our plug and play templates. In particular, to help you write your signature story, design your marketing materials and reach out to stages such as schools and conferences. You will also receive a certificate and badge upon completion to add to your credentials and website.
