

Abortion 4

(How God feels about abortion)

- How does God feel about abortion?
 - No verse that says Thou shalt not have an abortion?
 - God does not address the subject of abortion directly. No opinion is expressed directly
 - Instead, He speaks about the unborn child.
 - Psalms 139:13-16; 22:10-11; Jeremiah 1:5
 - Clearly there is a person at the point of conception.
 - God is knitting this person together.
 - Eccl 12.7. God gave an eternal spirit into this person.
 - The addition of the spirit makes the person alive
 - When did it enter? At the point of conception.
 - How does God feel about shedding innocent blood?
 - Prov 6.16-17
 - When we decide to end the life of someone that makes us God
 - We think we have the power to decide.
 - God does not give up that Authority.
 - And there are consequences to making ourselves God or like God.
 - Ask Eve.
- God cares about those who have already had their child removed from them.
 - He loves them.
 - He wants the best for them.
 - He can give them a fresh start without any guilt
 - But He does have a few demands.
 - That person must will turn to his ways
