Mary's action show us the kind of mother she was.

She should not be special because of her son, but instead, her son should be special by what she taught him.

Difference between a Mother and Mom

<https://acharlie.tripod.com/mom.html>

Today, Mom is not always the same person as Mother. What distinguishes the difference between these two titles?

Mother is the person who gives life to a child.

Mom is the person who gives her life to the raising of a child. A person who willingly accepts the burdens, responsibilities, heart breaks, and joys of raising a child.

ROUGH SCRIPT AND EDITOR NOTES

Hook - Benefit

Was Mary more than a biological surrogate? Did she take on the roll of being mom?
And if she did, which traits made her a good mom?

Benefit:

Should you copy the traits of the best known mom in the world's existence? You can. You should!

INTRO 4

Content

Mary's was a biological surrogate, but she took on the roll of "mom". She willingly accepted the burdens, responsibilities, heart breaks, and joys of raising God's only Son.

Her actions show us the kind of mom she was.

If you are a mom, or plan to be a mom, I hope you already have these 7 traits, plus a bonus for watching to the end.

But if you don't have these 7, you can start right now. You should start right now.

Mary was analytical (**G.S. #1. Analytical**)

Luke 1:28-29 And coming in, he **(the angel)** said to her, "Greetings, favored one! The Lord is with you." (29) But she was VERY PERPLEXED at this statement, and KEPT PONDERING what kind of salutation this was. **(SLIDE)**

It troubled her, She had no idea what it means to be a "favored one"

(G.S. #1. Analytical) And she "pondered", that is, she kept on thinking about it.

As a mom it is good to think everything through completely, as much as possible.

Second, When she did not understand she asked questions. 1.34 (**G.S. #2 She Asked Questions**)

Luke 1:34 "Mary said to the angel, "HOW can this be, since I am a virgin?" **(SLIDE)**

There was no doubt in her mind that it would happen, But she knew that staying a virgin was usually not very successful.

Her analytical mind was working again. So she ASKED the angel. And the angel gave her the answer.

Mom's ask questions for their own peace of mind, and maybe the good of her family.

Ask Questions

Third, She accepted her God-given mission. 1.38 (**G.S. #3 She Accepted Her Mission**)

Luke 1:38 And Mary said, "Behold, the bondservant of the Lord; may it be done to me according to your word." And the angel departed from her. **SLIDE**

After speaking of herself as God's bondservant, She said, "May this happen exactly as you described." She accepted her mission (**reuse G.S.**)

Is your God-given mission to raise a God-loving Kids? They need to know MORE than "about" God. They need to KNOW God.

Mom, Grandma, take on God's mission.

We have a booklet that can help you. It is in the Additional Resources below. (**SLIDE of picture of Raising Kids booklet**)

The bonus is coming.

Her 4th trait was she praised God. 1:46-55 (**G.S. #4 She Praised God**)

Luke 1:46-55 And Mary said: "My soul exalts the Lord, (47) And my spirit has rejoiced in God my Savior. (48) "For He has had regard for the humble state of His bondservant; For behold, from this time on all generations will count me blessed. **SLIDE V 46-48**

She was excited about going from a unknown humble girl to being the most blessed woman on earth, because she was having God's only Son.

She trusted in God's ability.

(**G.S. #4 She Praised God**) So, she praised God AWAY FROM the church building or religious gathering.

Moms, are you praising God? Are you seeing what HE CAN DO through you?

Her 5th trait is that she obeyed the Laws of the Land. 2:4-5 (**G.S. #5 She Obeyed Laws**)

Luke 2:4-5 Joseph also went up from Galilee, from the city of Nazareth, to Judea, to the city of David which is called Bethlehem, because he was of the house and family of David, (5) in order to register along with Mary, who was engaged to him, and was with child.

SLIDE

She registered as being Joseph's wife. That was why they traveled to Bethlehem (**G.S. #5 She Obeyed Laws**)

Your children can learn to respect and obey the government by watching what you do?

If you disobey or disrespect the law, don't be surprised or question when THEY DISOBEY, too But if you respect & obey, you get comfort and pleasure for years.

And don't forget our bonus is coming.

She was caring 2:7 That is trait #6. (**G.S. #6 She Was Caring**)

Luke 2:7 And she gave birth to her firstborn son; and she wrapped Him in cloths, and laid Him in a manger, because there was no room for them in the inn.

SLIDE

She did the best she could with with was available.(G.S. #6 She Was Caring) She came up with a swathing band, or swaddling cloth. And she made a bed out of a feeding trough. Children DO NOT REQUIRE the finest house, stylish clothes, popular shoes, etc. Moms create great MEMORIES by using WHATEVER IS AVAILABLE and NOT STRESSING over the demands for social status. So, who is raising your kids? Society? Or your genuine love and CREATIVITY?

She valued the stories. 2.19, 50-51 ((G.S. #7 She Valued Stories)

Luke 2:19 “But Mary TREASURED ALL THESE THINGS, PONDERING them in her heart.”

SLIDE

She listened to the shepherds tell their story about the angels announcement. She stored it away in her memory. She evaluated the stories. She Pondered. (G.S. #7 She Valued Stories) Value the events surrounding the kids. The ballgames. (slide of tj ballgames) The awards. (slide of Girl Scouts) The family vacations. The gatherings (slide of Christmas pix)The funny events.(slide of laughter) Value All of it!

Now, it is time for the BONUS

The title of “Mom” is often permanent.

These 2 adopted me. I called them Mom and Dad (show picture of mom & Dad)

(Fade in picture of their graves). Even now, I STILL call them Mom and Dad. (Fade out picture)

Only when I die will Mom lose that Title.

You will be a Mom for a long time. Live up to the Title.

What to do?

Here are the traits you need to be.

This is the kind of mom you need to be. (use slides with all 7 traits to review. Build 1 slide 1st 4, then 2nd slide with final 3)
