Finally I have seen it! I have read many good critiques and many excited comments. And they all are right! For me this is the best film of this year. Great actors like Christian Bale, Gary Oldman, Morgan Freeman, Michael Caine. Excellent is Aaron Eckhart as Harvey Dent. And of course Heath Ledger. When you see Joker on the screen, you do not watch an actor Ledge, you see living Joker, the real being. Atmosphere is built and it is cold and dark. Ledger created amazing role. There are opinions, he should get Oscar for this figure. And I say: Give it to him! He earned it! Since now Joker is my most favorite villain. Harvey Dent is very likable and you want to cheer for him and you now, what happens to him a it makes you sad! Great movie! Why so serious.
