Please support my Kick Starter "Lurk an Origin Story" Lurk an Origin Story" is about a charismatic and often sarcastic thief who only steals from criminals. He is a hero and saves the day. However, the public views him as a horrible vigilante who thinks himself above the law. While on a mission one night, Lurk is approached by a government agent who offers him a chance to be a hero. The agent offers Lurk the opportunity to work alongside the U.S government. Lurk teams with the government in order to help his reputation, and the government hopes to build trust between the U.S citizens and themselves. The government wants to turn Lurk into a symbol of purity and justice, but they have a lot of work ahead of themselves.

Overview: The Dark Knight was once again directed by Christopher Nolan, bringing back the original cast with the exception of Katie Holmes and also coming would be Heath Ledger and Aaron Eckhart. Dark Knight has a simple plot: Batman must hunt down the Joker with help from Lt. James Gordon and Harvey Dent.

Review: Dark Knight was well above my expectations. It's bring us the most creepiest monster and the most outstanding performances.

PROS: 1. Heath Ledger's extraordinary and chilling performance of 'The Joker' 2. Action sequences: Very quite amazing. It gets my heart pumping when they occur. 3. Humour: it may be a chilling and dark but the sly humor gives us some laughs. 4. Two-Face: It's great to see another well chilling villain in this especially in the last 15-30 minutes. 5. Bruce's/Batman's character: one thing that feels different is the performance of Bale's character. Batman's character began to feel stress, loneliness etc; The Dark Knight possesses talent, greatness and darkness. It should be brought upon that everyone did a fantastic job with the exception of Heath Ledger which gave an extraordinary performance. 10/10.
