The Half of it or love. The half of it opening. The half of it ellie and aster. The half of it csfd. The half of it paul kisses ellie. This movie describes perfectly how love should be. It's not a cheesy romance and it's not a rom com. It's real and enjoyably. The half of it stories.

arts. The Half of items. I really liked the movie! But in the start to 1 and a half hour in the movie it was just boring. But then it got really good cause there's a little bit of drama and a lesbian kiss and people who has to say goodbye to each other. But else it was boring, it was only the same thing that happened. that she helped him with getting the girl he wanted and not much else. They could have done a little better job on that part. Or else it's fine, I would recommend them to my friends but say in the start it's kinda boring but then it gets better at the end. The half of it tv show.

The half of it rotten tomatoes. The half of it music. The half of it crack. The half of it time. The Half of st andrews. The half of it film. The half of it torrent.
