synopsis - When Katniss Everdeen's younger sister is chosen for a pageant called the Hunger Games in which contestants fight to the death, she voluntarily takes place of her sister. During the competition she makes some important friends, but also some enemies. She has to fight her way through the games for not only her family and her best friend Gale, but the other tribute from her district, Peeta Mellark, her "star-crossed lover. Together Katniss and Peeta navigate their way through the arena, dreading when one tribute will defeat all the others
