The last time I watched a M. Night Shyamalan movie I was very disappointed. I wasn't surprised when the last air bender turned out to be awful.

This movie did not do the story line justice. Where the actors should have been clearly Asian they were either white or Indian. Nickelodeon decision makers should have picked another director anyone but Shyamalan. I don't think I will be watching the other movies if Shaymalan is the director. I agree with the critics in saying that this will be the summer's biggest flop. This films budget should have been written off as a bad debt and re-filmed under new direction. I even asked the theater for a refund they responded with a chuckle.
