The lord of the rings 3a the fellowship of the ring karaoke. When I read books, I read so I 'see' what's happening in my head, like a mini movie while reading. I read the entire Tolkein series in the eighth grade, a year and a half before this movie came out. I must say, I LOVED the books.

When I saw the 'Fellowship' I was quite impressed. Peter Jackson pretty much took the movie out of my head. He brought this movie to life, and only reading the book, for me, could make it as real. Peter Jackson is an amazing director, and he did wonderfully on this, and the other two, movie. I was only disappointed that he had to cut a few key elements/people. Other than that, I think this man is a genius.

The Lord of the Rings: The Fellowship of the king

The lord of the rings 3a the fellowship of the ring videos. Adventure movies had problems with focusing on one thing for the main plot. Just a linear thing. But this took time to explore, make friendships, and took time itself with a long runtime. Thanks gosh this was long, or else it wouldn't have that grand feeling. This had an experience to see a lot of the kingdoms and overall view of Middle Earth and it's rule to see how it'd be for future movies. And this followed a lot of the books characters and put them in this movie with great acting and performances. Many quotable lines here and many known characters for those lines only for some people. It's just extravagant to know the whole world which makes complete sense. And the ring is a puzzle piece to unlock the whole place.

But there is some downside to time, as it brought boredom a little and the last half not being THAT good. The first half was not that superb too. Because a lot of the movie was exposition and a lot is like going straight to 3rd act.
