

directed by=Peter Jackson

Story=The power of Bilbo Baggins' ring of invisibility may have been underestimated, Gandalf the Grey fears its power even with his unfathomable magical abilities. As the power of the one Ring grows, so too do the armies of Sauron and Sarumon as their evil spreads across the lands of man, dwarf, and elf alike. It is up to a ragtag band of heroes to carry the ring to Mount Doom, the evil place of its birth, and cast it into the eternal fires that forged it. Does the fellowship have what it takes to complete its task, or will the powers of evil overcome those of good leaving behind a world ravaged by the rage of Sauron, the Dark Lord?
