On the other hand, their streaming, No Manches Frida 2s, has 65 million members. Free Full La matrix revolution. I watched this movie in the hope of something amazing and it certainly was GOOD but not AMAZING.

The cast was great and they acted amazingly, the graphics were just spectacular, especially the dodging of the bullets but the thing this movie lacked, for me, was a story. This could of made it great. The whole idea of this movie was great (a whole world that doesn't exist as we know it) but I felt myself not caring for the characters at all. Usually I would be panicking for the character to run but i wouldnt have cared if Neo got caught because i had no reason to care. The love story was the most pointless I have ever seen. They could have built a little on that. I will watch Reloaded and see how it goes.

Final verdict: Worth a watch but dont be to hopeful on a good story.

Free Full La matrix reloaded. The Matrix is an exciting and very interesting movie. It combines great special effects with an interesting story line. It's only down-side is that some of the exposition is heavy-handed and takes too long (there were parts of the movie where I was just

bored. But the next fight scene more than made up for the slow parts and the idea behind it was compelling.

As the bullet time contributes to the great effects to the movie and its still asuper classic action sci-fi that kicks ass and everything else 10 outa 10 Rated R for violence. Free Full La matrix.
