The shawshank redemption imdb. The shawshank redemption andy escape. Is the shawshank redemption true. The shawshank redemption writer. The shawshank redemption timeline. I still can't quite get the enormous reputation of this film. I saw it again last night and instead of clearing up the mystery, the mystery got thicker. It is enjoyable film with very good performances by Tim Robbins, Morgan Freeman, James Whitmore etc, most highly rated film ever? I don't get it. The voice over alone seems to belong to a so so film. I love Morgan Freeman's voice but he's telling us what we're seeing. So, the sterling reputation damages the enjoyment of the film because one is expecting something that never, really, arrives. The most interesting aspect is Tim Robbins's psychological journey. Credible or incredible doesn't quite matter, I did go with him without asking too many questions. Morgan Freeman's humanity is contagious and inspiring, whether credible or not because I bought it. So, a masterpiece? No. Good, even very good? Yeah.
