WEDNESDAY EXPLORERS

Exploring Cuesta de Piedra

Enhanced Digital Memory (EDM)

THE STORY

This was a 2 stop trip. Last time Cañon Macho de Monte was closed for renovations. 1st stop was the Cañon.

The walk is along a dirt road. Pretty valley with a pretty river. Obvious signs of flood damage.

The second stop was the Río Breque Valley. Last time we were rained out. We opted to drive further up the road this time to avoid walking the STEEP hill.

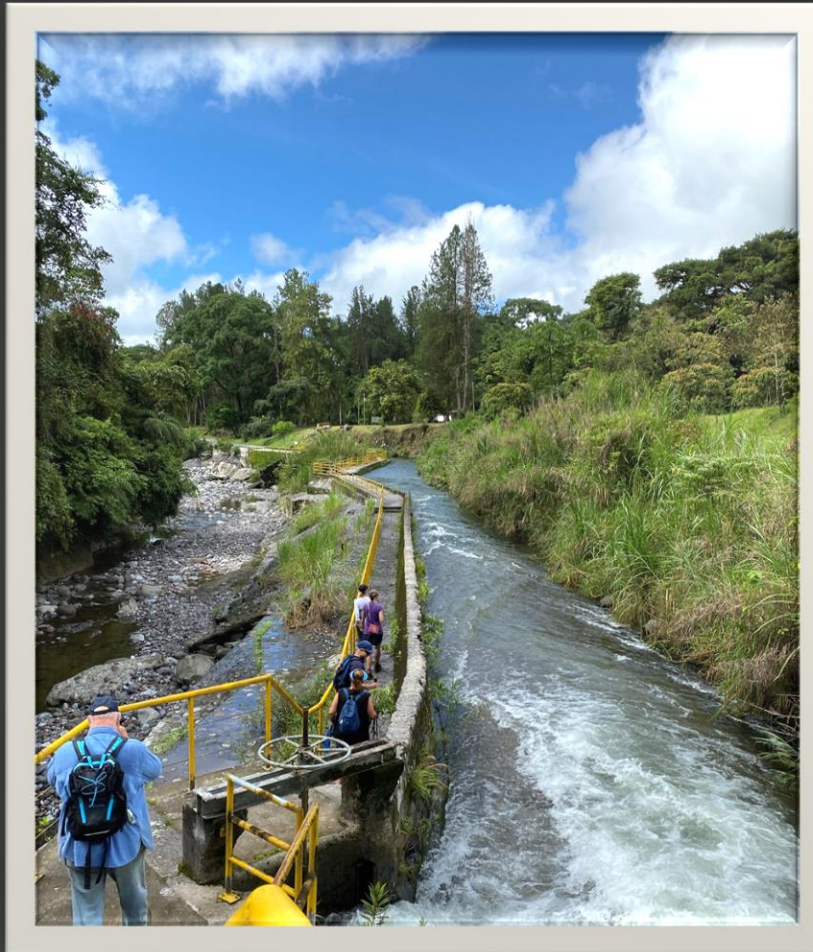

Next trip we will park at the river and walk from there. Still a lot to explore and we ran out of time with this walk.
