Top Gun Full Length Movie Download free hd. This movie was released even before I was born. Tom was also quite young in this movie. This movie was my favorite movie for a long time, it is still in my top 3 movies. In fact, this movie was responsible for Tom cruise's stardom. I heard in that year 1986, a lot of guys wanted to be pilots just because of this movie.

Top Gun is a story of pilot Pete Mitchell code name Maverick who is regarded dangerous pilot by the navy. Pete's father disappears in 1965 Vietnam war. So, his father was considered reckless pilot by everyone. Maverick knows his father was a great pilot and he didn't screw up. But still there's a stigma attached to his family name. So, Maverick always tries to endeavor very hard when he flies.

Top Gun is a film about emotion, passion and most importantly ego of Maverick. Top Gun shows all the flavors of emotions. It shows desperation of Maverick not to be second. Maverick has only one friend Goose. Goose is his family. Nobody likes Maverick, but Goose. Maverick doesn't want to risk Goose's job, by doing some unnecessary stunts in the sky, but his desperation and ego to be better than others due what happened to his father, never listens to him.

Tom Cruise pulls off performance of his life in this movie. He is well complimented by Kelly McGillis (Charley) Val Kilmer (Iceman) and Anthony Edwards (Goose). My fad for Top Gun is such that I had Maverick as my username on my email id for years. I've seen this flick more than 50 times. I know every dialogue in this movie. This movie is a top notch and as far as movie characters are concerned, Tom Cruise will always be remembered as Maverick than any other characters he has played.
