## About us:

Arni University, incepted in 2009, as a pioneer of academic and intellectual discovery, intends to provide excellent quality education to students and transform them as strong professionals in real life. At Arni, we ensure to impart value-based education to the students and we take pride in ourselves as an eternal hub for innovation, research and growth. As an academic institution, it is our responsibility to uphold and strengthen our society by preparing skilled and wise Future decision-making. Arni University is situated in a pristine location surrounded by scenic beauty representing the serene state of Himachal Pradesh. The banks of outrageously beautiful Beas river amidst green forests is a wonderful backdrop for our campus. Our uprightness is our driving force, and we swear by the commitment to provide opportunities from every nook and corner, for the professional and personal development of our students, so that nothing can stop them from living a prosperous life. With the kind of integrity that Arni upholds, it has become the Best University in Himachal Pradesh.

### MESSAGE FROM CHANCELLOR

Universities of higher learning, have always played an important role in the social and economic development of nations. With the quantum of human knowledge increasing at a rapid pace, the role of Arni University, as a centre of learning, teaching, research and excellence, has become more critical. Arni takes a holistic view of education and inspires students through knowledge and skills, to partake fully in the economic development of the country.

It is a matter of great honour for me to state that the new management has taken over the University and we would ensure that Arni University gallops forward with a great speed and emerges as a "Five Star" educational Institution in the country. Everything possible, including infrastructure, upgrading equipment, latest books and administrative as well as welfare facilities, would be catered to excel in the field of education. As new, yet experienced management, we have been investing our earnest efforts to make our University become one of the best universities in the t of academics, human capital index, research & innovation.

**Mr. Vivek Singh**  
Chancellor

### MESSAGE FROM VICE-CHANCELLOR

As a Vice Chancellor, I am filled with sanguinity about the trajectory of our University and the opportunity we have, to broaden our impact in terms of education, research and innovation. Arni University is a tranquil place to learn, share and discuss ideas and perspectives that are beneficial to mutual thoughtfulness and respect. Diligence, compassion and commitment plays a pivotal role to our strength at Arni University. In research and education, we continue to serve the nation through the production of experienced, competent and skilled people that would ensure the enrichment of physical and human environment. We are putting optimum efforts to become a World-class University by bringing in best technical and professional courses; national and international practices through the development of collaborative partnerships with institutions of excellence like CGIA, Campus World ,MESC & Aspire Business School .

**Prof.(Dr.) Kalyan K. Sahoo**  
Vice-Chancellor
