Watch uncut gems full movie online free. Watch Uncut Gems Full movie. This excellent movie's like watching some kind of terrible crash; viewers may be horrified but unable to look away. Even people who dislike Adam Sandler movies (like me) have to respect his performance in this film. the whiney manboy is still there, but not enough to ruin a credible performance as a complex Big Score chaser whose "surely this time it's my turn" sensibility makes him insensitive to others and the fool of his own ill considered ambitions. In fact, Sandler's ability to develop a character with a terribly arrested adolescent mindset is central to the film's success. And that "whatever rotten thing I do I can make up for" ethos is dead on for so many people today. Most of the characters in the film are pretty horrible. or, put another way, disturbingly human, though afflicted with some of humankind's worse characteristics. greed, lust, selfishness,

insecurity, hypocrisy. Hustlers abound (and some even sort of sound like a famous occupant of the White House.

Keven Garnett turns in an excellent performance. the gifted and privileged basketball superstar and his entourage of tough guys, sycophants and parasites.

The Safdie brothers are phenomenal film makers. Scenes are cluttered with people talking over and past one another (so, totally realistic for a solipsistic age) each scene is designed masterfully (excellent sets, lighting, sound, costumes, movement. The film often feels like an American version of a falling Babylon w/o the past record of greatness.

There is a tiny glimmer of hope in the film. a good hearted (if naive) person sort of makes out. To viewers expecting a block buster, sorry. this is an arthouse film with some famous people, but even if you end up sort of hating the film, you will have to admit it is a superior movie. It should win awards.
