Most all of us know Adam Sandler for his romantic comedy and very funny movies,
however he steps outside his comfort zone with this work in the very dark drama "Uncut
Gems. It's the story of Howard Ratner a New York City jeweler who lives life on the edge
walking on the very cracked side of society. His passion in life is making money anyway
he can, no matter if it's legal or not as long as the cash flows his way.

However many of his sports bets and deals with shady characters have him drowning in a
pool of debt and in the red as he lives for the next score to payoff the big boys of the
shady slick underworld. On the side he enjoys sex and pleasure from his sexy mistress as
his home life with his kids and wife Dinah(Idina Menzel) are on rocky grounds and about
to be buried under. Overall very dark intense film showing that when living in discomfort
and doubt one will go to desperate measures and means to survive. Still pretty good
direct anti hero performance from Adam Sandler.

I had previously watched Sandler in a dramatic role in "Reign O'er Me" and was very pleasantly surprised, so I had hopes for this movie. Well. br> I'll avoid any long descriptions of content, as the other posters pretty much have it, and I wanted to avoid spoilers.

About halfway through the movie, after two couples had already left, I turned to my friend and said "Sandler's doing a good job with a (cleaned up for this review) terrible script." I waited a few days before writing this to see if I still believed it. I still do. Sandler's performance was the ONLY reason I gave this ANY stars at all. The script was putrid, the soundtrack annoying, and the remaining cast substandard to neutral. The fight scenes were often impossible to follow, the dialogue impossible to understand (one long argument) and the story itself cluttered with nonsensical BS.

I have watched, and appreciated, Eric Bogosian in other roles, most recently in Billions. I have been a long-time fan of Judd Hirsch in a number of roles, most notably "Running On Empty." How and why they leant themselves to this fiasco is a mystery. Their respective stocks did not rise with this one. Thankfully, John Amos limited his exposure to a mildly humorous cameo.

If Kevin Garnett was seeking to do some acting after a great b-ball career, this was not a good start. If he tries again, I hope his next attempt is in a better vehicle.

The actor who played "Phil" was making his first appearance as well. He just acted himself into a career of cheap horror movies. Terrible. simple as that,

Save your money and use your time for anything else- both are better spent elsewhere.

Sorry Adam, your performance couldn't save this. work.
