V kao vendeta knjiga pdf. V kao vendeta. V kao vendetta. V for Vedetta, a terrible excuse for making a film. How could Alan Moore allow Hollywood to make a big budget Bush-era investment and not have any control over it. Alan Moore, the writer and creator of V FOR Vendetta was not about America's governmental system or Republican-bashing-it was about Anarchy and Fascism! For God's sake, it was about England! I have no problem with Bush-bashing but this film makes it so hard to believe, what may seem to be a beautiful, intriguing sci-fi film about the Holocaust is actually a movie that's meant to get to the box office and not to the true core of emotion and thought that it was meant to be. V FOR VENDETTA is about the man in the mask, but the true men that should be wearing masks, my friends, is the makers of this film.
