

United States of America Banking Registration

BANK WIRE TRANSFER TO USA

Please ensure that you print this document and deliver it in person to your local bank in your country in order to transfer your registration fees to the United States of America. Once you have completed the transfer, kindly request the bank to provide you with a copy of the payment receipt for confirmation purposes. The receipt should be stamped and include the bank's contact information, as we will need to communicate with the sending bank to verify the proof of payment then send it to us.
